

Approved Grain Products for Rhode Island Nutrition Requirements (RINR)

Each product item listed meets the *Rhode Island Nutrition Requirements (RINR) for grain products with 51% or more whole grains or 100% whole grains. In addition, all products meet the RINR grain standards of not more than 30% of calories from fat, not more than 10% of calories from saturated fat and 0 grams of trans fat, not more than 7 gm. per ounce of sugar and no artificial sweeteners or sugar alcohols.*

This list was developed by Kids First and is currently maintained by Kids First. Please notify us, should you find that a product on this list no longer meets RINR criteria. Also, please do not hesitate to contact us and ask us to review specific products for approval and addition to this list.
