

Dear Ms. Ryan and Ms. Spockmann,  
This field trip was so fun! I want to go  
back! Thanks for letting us go into the butterfly corn  
maze! We also did find some raspberries! The hayride was  
fun, but bumpy! We kept sinking in mud in the mud and  
bumping into trees! Ha ha! I just loved the  
pumpkin picking! I picked a really cute  
pumpkin! It was all orange! The stem was tiny!  
No offense, but, I did not like the llamas. Only  
the donkey, sorry. I saw two cats! One black one,  
and an orange with some white! They were so cute!  
well, I had a good time!

Sincerely,

Kessa Gustin.
