A Workshop in a series of LFA Co-sponsored After-School Events

“What Works Workshops:

Rhode Island Standards for Physical Education and Health

(A Program Detailing Some of the Best Practices in Rhode Island Public Schools)

April 28, 2010

4:00 to 5:30 PM

Location to be Announced

The newly adopted Rhode Island Standards for Physical Education and Health must be in effect no later than September 2012.

- ***What should you see when you enter a standards-based Physical Education class? What types of activities should be taking place?***
- ***What should students be doing during a standards-based Health class?***
- ***Do you know what you need to know to evaluate a Physical Education or Health teacher according to the new RI standards?***
- ***As an educational leader, what should you do to ensure that your Physical Education and Health teachers plan their lessons aligned with the RI Standards?***
- ***To whom can you turn for help in aligning the curriculum to the new standards?***
